

1 like if they find that they're gonna judge me, and
2 starting over, I don't want to be judged, so I have
3 to always be like, you know, I have this crazy
4 lawsuit going on and I felt extorted and I felt
5 like, you know, I was targeted, like, why she
6 wasn't going after Keto for sending a photo of her
7 five year old taking her husband on drugs photo.
8 Like, why didn't she go after Olivia for telling
9 everyone she had a threesome with her husband.
10 Like, why me? So I always have to constantly
11 justify.
